# CYCLING IN THE TRAMUNTANA

## Three routes with top Mallorcan cyclist Joan Horrach

A former pro with ten years' experience under his belt, Joan Horrach is Mallorca's best known professional cyclist. He has taken part in several editions of the Tour de France, Giro d'Italia and Vuelta de España, winning a stage of the 2006 Giro. Born in the village of Deià, he knows the island's roads like the back of his hand!

Joan has designed three cycling trips, all starting out from the hotel, for enthusiasts to get to know the real Mallorca from the saddle of their bike. Each trip is of a different length, ranging from 40 km to 100 km, adapting the pace to suit each group and stopping as many times as necessary.

In all three cases, you will pass through some of the island's most beautiful stretches of countryside, with climbs up to places like the village of Valldemossa or the Coll de Soller, enjoying scenery as different as the mountain villages of the north or the vineyards of Mallorca's plains. To add an extra touch of local flavour, there might be a trip to a winery or a paella at a restaurant with spectacular sea views.

Benefit too from Joan's professional experience and improve your cycling techniques, while learning a few insider tips. If cycling is your passion, this is the Unique Experience for you!

# TRAM TO SOLLER

## A scenic ride back in time

Enjoy a scenic tram ride from the Port of Soller to the center of Soller, finishing the journey on the main square with its impressive cathedral and numerous restaurants and cafés.

1913 Mallorca's first electric tram line was inaugurated, running between Soller and the Port of Soller. The construction of the Soller tram began after the inauguration of the Palma to Sóller railway line.

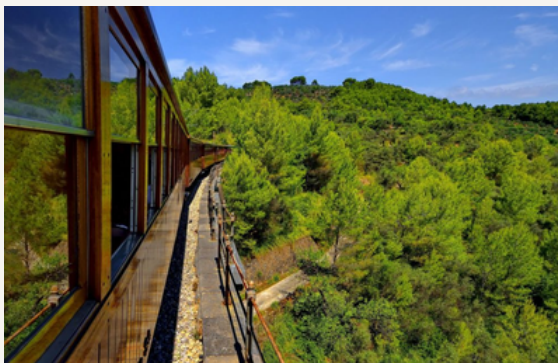

# CENTENARY TRAIN TO PALMA

## **Sit back, relax and enjoy the view**

Travel back in time with a wooden train inaugurated in 1912 while enjoying the breathtaking scenery of the Sierra Norte de Mallorca. The train connects Soller to Palma, with a stop in Bunyola and several viewpoints on the way.

An hour-long journey that takes you back in time through Mallorcan history. To the time when things happened slowly and the train was a modern artifact that represented the future and progress. To the Mallorca of the agricultural and tradition.

From the old train you can enjoy the diversity of landscapes and views that this wonderful island has.

## GUIDED TOURS

**Explore Mallorca's most beautiful towns on an exclusive guided tour**

The best way to explore Mallorca's iconic villages is with a knowledgeable local guide that can personalize the tour to your needs and wishes.

Take the cultural tour through Soller and learn about culture, traditions and heritage while exploring Soller's historical center. Chocolate lovers may choose a tour through the former chocolate factories of Soller, and history-fans may enjoy a tour through the ancient part of Port de Soller, learning about the past of the port town.

The historical richness of Soller allows for diverse tours with different focus points, providing an enjoyable experience for each type of visitor.

Besides Soller, the island offers many more picturesque towns such as Deia, Valldemossa and Fornalutx, only to name a few. Wander through the narrow alleys and experience the local villages of Mallorca from a different perspective.

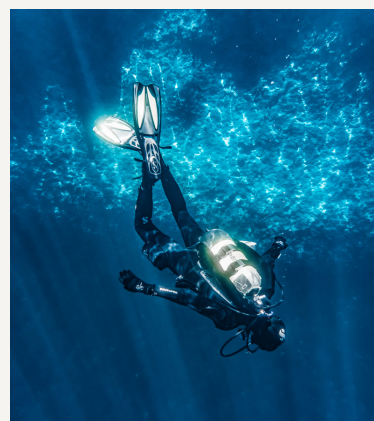

# SNORKELING & SCUBA DIVING

## **Dive in and explore Mallorca's underwater world**

Join a boat trip to the best secret spots around Port de Soller and discover the coastline, swimming and snorkeling in some of most pristine waters of the Mediterranean.

With more than 20 years of experience in active tourism, the professional divers offer an extensive variety of courses and training, as well as a wide range of excursions to some of the best diving spots in de Mediterranean.

# GOLFING

**Enjoy a day with blue skies and green fields on the Golf Court Son Termes**

Located just 10 km from Palma, the Gold Court is classified as one of the most ecological golf courts in Mallorca.

The mountainous and undulating terrain offers some truly special holes and panoramic views of the Palma Bay. Son Termes prides itself on its Greens, which are of the highest level. It is a precision field where your skills will be tested against par 70.

The golf court also includes a Clubhouse with changing rooms, a restaurant and a bar. Golf carts, trolleys and clubs can be rented on site.

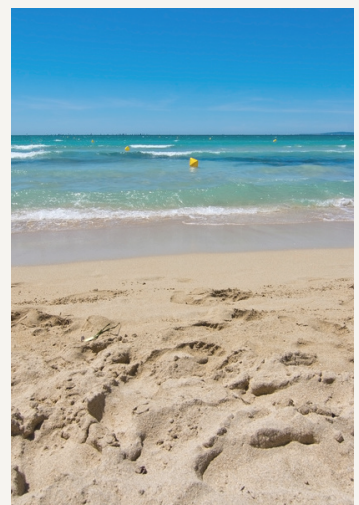

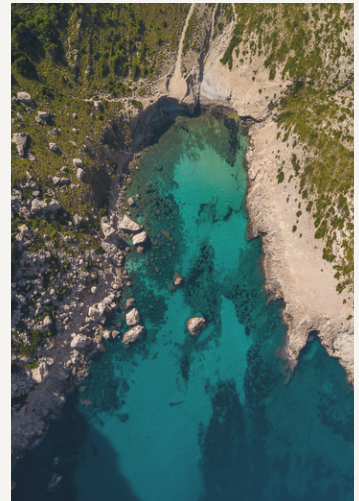

## BEACH HOPPING

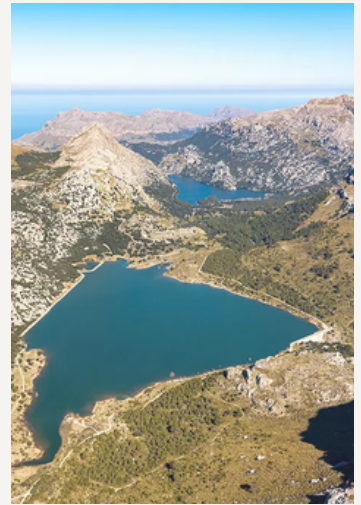

**A day full of sunshine, the azure sea and Mallorca's beautiful beaches**

Spend a day exploring the picturesque bays and beaches located all around the island. Beach hopping could be the best way to find your favorite spot by the sea and to discover unknown places.

Especially the south coast of Mallorca is an ideal area for beach hopping as you can find long stretches of white sand beaches in natural, unspoilt landscapes.

Some of Mallorca's most beautiful beaches include Cala Pi, Es Trenc, Es Carbó, Caló des Moro, Cala Llombards and S'Amarador.

# HELICOPTER TOURS

**Explore Mallorca from the sky and enjoy a stunning aerial view of the island**

Take a helicopter tour and enjoy a bird's eye view of the scenic landscapes of Mallorca and the surrounding Mediterranean Sea.

Your pilot is a Swiss native multilingual in German, French and English. He will serve as a guide as well and shall enhance your sightseeing experience with local knowledge.
