## SON VIDA

HANDICAP: 54 / 54

This is the oldest of all the courses as it was opened in 1964. It includes a dense forest and is also very hilly. The spectacular cathedral looks over the 6th green, and all of the holes have great views of the mountains and Palma Bay. A mixture of wide and narrow undulating fairways and smallish greens make for a comprehensive golfing experience.

## SON MUNTANER

HANDICAP: 36 / 36

Son Muntaner has an extraordinary design, greens that propose continuous challenges and a careful attention to detail. We recommend that you visit the 5th and 6th holes, which have been redesigned following the original design, making the golf course even more competitive. In the second round, it is worth admiring Na Capitana, the oldest millenary olive tree in Mallorca and cataloged as a Singular Tree by the Local Government.

## ALCANADA

HANDICAP: 33 / 35

The 58 bunkers on the sides of the greens and in the streets, difficult greens with hidden breaks and the difficult but also grateful tee shots make this course one of the most appreciated by the experienced golfers who travel to Mallorca. Anyway, the most spectacular of the course design are the views of the Bay of Alcudia that the golfer has in almost every hole.

72 km (around 1 hour)

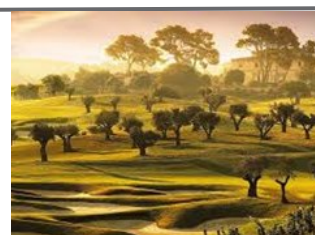

## SON GUAL

HANDICAP: 28 / 36

An exclusive golf course, which is a real challenge for the sportsman, also offering a private and inspiring atmosphere. The design of the golf course stands out for its generosity and breadth, in addition to its natural sporty elegance. Son Gual has been created to play golf in its purest nuance, style links course.

## T-GOLF & COUNTRY CLUB

HANDICAP: 38 / 36

It is one of the oldest and most respected courses in Mallorca. Just 12 km away from the city of Palma, its wide fairways and large greens make it a great challenge to any level golfer. The 18 holes, par 72 measure 6.430 metres and run through beautiful rolling hills. The views from the 8th and 11th holes alone are worth a visit and give the player an appreciation for the rugged beauty of this course.

53 km (around 50 min)

## SON QUINT

HANDICAP: 54 / 54

This golf course will dazzle players looking for variety and something a little special. For example at hole 8, the highest point on the course, you tee-off facing the iconic Palma Cathedral. The well-placed bunkers will challenge even experienced golfers, and the four different tee-box positions enable a variety of plays.

31 km (around 35 min)

## PULA GOLF

HANDICAP: 34 / 36

Pula Golf has a large Driving-Range of two levels, one of them is covered and two are Putting-Greens. It also offers a Shortgame-Area including 3 pitching Greens and a large Chipping-Green to practice all varieties of shots around the greens. It has been transformed into a large and neat golf course, par 72 of 6.246m. The possibility of a par70 for professionals is available.

## CAPDEPERA

HANDICAP: 54 / 54

Long open fairways, long tight fairways, water just about everywhere and a number of double tier greens, this is what you will find at Capdepera. Add these to the idyllic setting in a valley surrounded by mountains and throw in a beautiful view of the Mediterranean Sea. It is one of the most beautiful golf courses in Mallorca.

## VALL D'OR

HANDICAP: 28 / 36

Vall d'Or golf course is set in a splendid location, close to the sea, in the area of Felanitx. Along the course are three lakes and a good number of bunkers with limestone sand. It cannot be described as either a flat or mountainous course. Undulating is probably the best word, and due to its location it is well known for its cooling afternoon sea-breezes.
